## \$235,000 Appropriated For Building The Hamlin-Rotan Highway No. 92

Everything now has shaped up for the final completion of the Hamlin-Rotan Highway.

Some time ago the Highway Commission appropriated money for constructing the road from Hamlin to within about nine miles of Rotan and this week the Commission added \$70,000 more which makes a total sum of \$235,000 for finishing the entire road.

This highway has been placed on the Secondary Federal System, which means that the Federal Government foots half of the construction cost. This also means that the Federal engineers have something to do with type and extent of construction.

### HAMLIN TO GET 7 BLOCKS OF PAVING, CURB TO CURB

The Hamlin-Rotan road extends from the intersection of Central Avenue, or Highway No. 83 west through the residential section for seven blocks. This means a cross section of the drainage area, creating a great drainage problem. All water from the streets north of the highway must come down to the new road and forms a great problem for all parties concerned, City of Hamlin, Citizens and Highway.

To overcome the drainage problem the Highway engineers recommended that the road (Fifth Street) be paved from curb to curb. This means that private owners of property will have to finance their own curb and gutter. This was brought to the attention of citizens on that street last week and by now the complete paving is assured, excepting some few who could not be contacted. This is an important situation and so far all property owners have given a ready response. It will make Hamlin a beautiful street.

The contract will be let early in December, and the curb and gutter will likely be incorporated in the road work, so that it all can be done at one time.

Hamlin people are very appreciative of the interest shown in this road development by District Engineer Treadaway and his assistants. During the new construction, Engineer Morris will have his home in Hamlin, perhaps for one full year.

Miss Elsie Wienke who has been in the Stamford Hospital since Thursday of last week, is reported much improved and will likely be able to return home Sunday.

### Buy Christmas Seals to Help A Worthy Cause

Washington, Nov. 24— President Roosevelt today endorsed the 35th annual Christmas Seal Campaign of the National Tuberculosis Association as a vital part of national health.

The campaign, which opened today, was termed by President Roosevelt "A valuable and far-reaching tradition" in the anti-tuberculosis fight.

The President's endorsement: "With the approach of the Christmas Season, my mind turns to one of our most valuable and far-reaching traditions, the Christmas Seal which supports the fight against tuberculosis.

"For 35 years the appearance of the small tuberculosis Seal on the flood of holiday mail has proved that we Americans are sincerely trying to protect our own against an insidious, communicable disease.

"We have full confidence in the Christmas Seal, a confidence deeply rooted in the victories which have been won over the disease. But the fight against tuberculosis is not yet won. We must continue to give our full support to the National Tuberculosis Association and its 1,700 affiliated organizations throughout the country. We must help overcome a disease that still kills more persons between the ages of 15 and 45 than any other cause of death.

"The anti-tuberculosis campaign has long been a vital part of the foundation of the structure of our country because health is the first requisite of a nation as well as of an individual. This year, above all years, we must, and I am sure we will, faithfully observe one of our oldest, most worthy American customs . . . giving health to ourselves and to others through Christmas Seals."

### A BABY BOY

Mr. and Mrs. Stanley Carmichael are announcing the birth of a son, David Lance, born Sunday, November 16 at 12:20 P. M. in an Abilene hospital. Both mother and baby are reported to be doing nicely.

Miss Loucille Willis is spending the week end in Abilene with friends.

### 55,307 Bales Ginned In Jones County Nov. 14

Jones County has not quite reached the top in the latest cotton report, but 55,307 bales is so near that it puts this county at a point which will possibly place Jones Co. TOPS in all the state by the time the December 1 report is gathered.

Cotton has come out early this season, despite the continued rains. Last year on this date this county had 44,742 bales and ended the season with a little over 53,000 bales.

Perhaps the entire cotton crop will be finished before the mid-December report is gathered, provided any dry suitable weather is experienced in the mean time.

### HAMLIN'S FOUR GINS

Of the 55,307 bales reported in Jones County on November 14, 9,304 bales were ginned in Hamlin's four gins. By the end of this week over 10,000 bales will have been ginned. This is a remarkable showing for just four gins. All of them have had good business and fine luck in meeting the demands in the great rush at the peak.

Unless some of the counties on the Plains pile up a crop of cotton in a late season, to count more than reports to date have indicated, it is almost certain that Jones County will end this year 1941 in the top place.

### Demonstration To Be Given On Terracing Near Corinth Dec. 3

A master terracing demonstration will be held Wednesday, Dec. 3rd, on the Louis Woodson farm located one mile east of the Corinth gin. The demonstration will begin at 10 A. M.

The purpose of this demonstration is to show that terraces can be built with common farm equipment such as disc breaking plows, mold board plows, one way plows, and any other type of implements that can be pulled by two row and four row size farm tractors.

The local implement dealers are making the demonstration possible. This is the practical way to build terraces and all farmers are urged to be present.

Harold Fletcher and Walter Richard Cypert, students in Abilene Christian College, were among those listed on the honor roll compiled recently from mid-semester reports. Recognition on this roll indicates outstanding scholastic work. Harold is the son of Mr. and Mrs. W. L. Fletcher and Walter is the son of Mr. and Mrs. R. T. Cypert of Hamlin.

Lester Morton, Misses Loleta Uben, Herbie Faye Johnston and Janie Mae Bryson, students in Hardin-Simmons University, were here last week to spend their Thanksgiving holidays.

### Anson Wrecks Hamlin's Championship Hopes In District Foot Ball Race

Playing at Anson last Friday night, a fumble late in the first quarter by Hamlin paved the way for an Anson touchdown. The ball had been worked by Anson to the Hamlin 11 yard line where they bogged down and lost the ball on downs. Hamlin took over and after two line plays and a pass for short gain, the ball was fumbled on an attempted punt on the Hamlin 10 yard line. Three line plays and a short pass netted Anson a touchdown and kick for extra point was good. Anson 7, Hamlin 0.

A few minutes later Anson was knocking at the door for another touchdown when they had pushed to the Hamlin 12, but lost the ball on downs. The Pipers took over but could never get to rolling and had to punt out of danger. An exchange of punts again gave Hamlin possession of the ball on their own 38 yard line. Three first downs on passes placed the ball on the Anson 10 yard line, from which point the Pipers scored. Run for try on extra point was no good. Hamlin 6, Anson 7.

Toward the end of the game Anson was again marching toward a touchdown on the Hamlin 15 yard marker. Dean Witt intercepted a pass on the 10 and returned to the 40 where he was hemmed and downed. Hamlin fans took on new hopes as a determined effort to score was made, but fourth down came up and Hamlin lacked forty yards to go for a touchdown. Two penalties against Hamlin and two losses had set them back. Haines kicked to the Anson 30 and on the first play the Tigers fumbled and lost 10 yards, Hamlin taking over on the Anson 20. Four incomplete passes by Hamlin gave the ball to Anson and the ball game was over two plays later.

### Give A Bible For Christmas

#### The Bible You Will Use

If you are a teacher, or a Bible student you will find no other Bible that so well meets your needs. If you are a mother or a father, you will find the NEW ANALYTICAL BIBLE the best Bible for the home. If you are a busy business man, or a house wife with little time for study but desire to know more of the Book of books, you will find the NEW ANALYTICAL BIBLE just what you have longed to possess.

#### Dr. George W. Truett Says:

"The work deserves to be in the hands of every preacher, and every Bible teacher in the Sunday School and missionary classes. Indeed it would be most fortunate for such work to be in every home, because in the one volume are found helps so conveniently arranged that the careful Bible reader will derive untold profit from such helps."

## Pre-Christmas Spirit Is Shown In Open House Parties Tues.

Opening the Christmas season in Hamlin, Mr. and Mrs. S. D. McMahon, owners of the McMahon Jewelry Co., and Mr. and Mrs. Kurt Schoemann and Mrs. Freida Schoemann, of the Schoemann Co., Inc., held joint open house Tuesday evening. These two progressive stores are "next door" neighbors and it was an opportune time for them to jointly extend to their friends and customers the privilege of viewing their wonderful stocks of Christmas goods. As had been previously announced no sales were made; it was simply an evening of pleasure in the meeting and mixing of friends and getting an idea of what Santa Claus might bring at Christmas time.

Special lighting effects with the unusually beautiful Christmas decorations which had been arranged in both stores, made an attractive setting for the Christmas merchandise displayed. Both of these firms believe in meeting their customers' needs and it is evident that they

will be able to supply the holiday demand.

During the evening five complimentary gifts, checks for \$2.00 in merchandise, were given by each firm to customers whose names were drawn from the register boxes.

On the same evening, Mr. and Mrs. I. R. Witt, owners of Witt Jewelry, entertained friends and customers with open house to display their lovely collection of holiday merchandise.

The outstanding feature at this store was the guessing contest with a beautiful diamond ring as the prize. In one of the show windows, lighted by a red candle Christmas tree, a large assortment of jewelry had been arranged and the one guessing nearest to the cost of the jewelry, was to receive the ring. As varied and wide as opinions were, it was a strange coincidence that two ladies guessed the same amount and Mr. and Mrs. Witt graciously gave a diamond ring to each.

### Here's Your Chance To Join The Marines

Sergeant H. C. Lindsey of the Abilene Marine Recruiting office will be in Haskell, Texas, at the post office from December 1st to 4th inclusive for the purpose of interviewing applicants for enlistment in the United States Marines.

Applicants must be between the ages of 17 and 30, single, no dependants, white and with at least a grammar school education.

All accepted applicants will be furnished transportation to Abilene then to Dallas for final examination and enlistment then to San Diego, California, for their initial training.

Sgt. Lindsey points out that there is an unlimited number of vacancies in the Marine Corps, and this is the chance for young men to learn a trade while they serve their country. Young men may enlist either for the regular four year enlistment or the duration of the national emergency.

For further information, apply at the post office in Haskell, Texas.

Jess Strawn of Indianapolis, Ind., visited in the home of his niece, Mrs. J. B. Bowman and his two nephews, Sid and Atlas Clay this week. This is their first meeting in 32 years.

### Baptist Revival Will Begin Next Sunday

A revival scheduled to run one week will begin Sunday morning. The pastor, Rev. H. E. East, will do the preaching; the educational director, Clyde F. Smith, will lead the singing. A special invitation to attend every service is given to the people of Hamlin.

Evening services will begin at 7:30. Morning services on week days will be at 10:00 A. M.

H. E. EAST, Pastor

### SAVE ON TAXES

The City Council has authorized me to waive all penalty and interest on delinquent City Taxes up to and including 1939, provided all taxes including 1940 are paid at one time, and not later than January 31, 1942.

The Council is striving to maintain up-to-date services and to make some needful improvements. It takes tax money to do this, and they are offering you this inducement to pay rather than give it to a tax attorney. Let us show you how much you can save. We will appreciate your co-operation.

## Thanksgiving?

As we type these lines, it is Thursday, November 27, a day set aside by the Governor of Texas as Texas' Thanksgiving. So this is our Thanksgiving, maybe.

Last week was "National Thanksgiving", and most colleges and universities, and all governmental units observed that day. Today they are wide open.

The Herald is thankful just as much as if we were jam-closed, and maybe better off than if we were on the highway going some place, maybe to our own wreck and a hospital or grave. Holidays, whether for Thanksgiving or for patriotic purposes have become crash days, tragedy days, extravagant days. Maybe one is better off not observing in the "usual way".

Perhaps by November 1942 we will have one universal Thanksgiving day.

Let no one charge this paper as being out of harmony with the President in his effort to comply with a

long clamor of schools, colleges and universities to place Thanksgiving farther away from Christmas. Too many holidays are not good for students or business. So until somebody makes up their mind what day is to be kept, we shall quietly be thankful individually and attend to business. It sounds silly to say that Thanksgiving ought to be on such and such a day because somebody started it then.

## Santa Around—

This week the Herald is responding to the Christmas spirit, by continuing the publicity of the Santa Parade in Hamlin Wednesday, December 3. A hurry up Santa Parade double page is offered for your "perusal". The business firms of Hamlin desire to express a genuine welcome to every person, especially the children of this entire community to come in Wednesday of next week, and pull off a kind of pre-Christmas celebration. There will be plenty of attractions all sounding like Santa.

## Vegetables Presented

Editor of The Herald

To convince the Herald Editor that this country is a garden spot in West Texas, Mr. and Mrs. R. L. Milstead who reside two miles west of Boyd Chapel, brought a sample of vegetables now in their garden patch. In the box were turnips, fresh new potatoes, tomatoes, onions, radishes, carrots, peppers, mustard, and two ears of sweet corn.

Mrs. Milstead said "Bob grubbed out 319 acres of their 320 and she hired one acre grubbed for garden." Last year Mrs. Milstead said she made more off her tomatoes than Bob did from his acres and acres of cotton. Any Jones County farm can have vegetables all the year 'round. And say, Mrs. Milstead tells us the best time to plant English peas is in the fall. They stand over the winter and produce early.

Mr. and Mrs. J. M. Grigg and Luther Archer left Wednesday to spend Thanksgiving in Lubbock.

## Are You A Parasite?

In English class on a certain day five students filled their fountain pens from a bottle of ink that a thoughtful student had brought for his own use. In History when a test had been announced, precious last minutes were used in securing paper and something with which to write from their "friends". Day after day a number of students ask others to furnish supplies which they should have brought themselves.

A sheet of paper or a pen full of ink is not a hardship on a generous lender; but when this occurs almost daily and never returned, the cost steadily mounts. To many students coming from poor homes it is a hardship to supply themselves, much less their friends. Even those from the wealthier homes begin to resent the thoughtlessness of the habitual borrower. Stinginess and thoughtlessness are the causes of borrowing.

Parasites live off other plants; borrowers live off other human beings. Are you a parasite?  
 —From "Journalism and the School Paper."

## He's A Real Piper TURNER

This tall, lazy boy who shuffles his feet over the halls of Hamlin Hi school is known to some of his friends as "Footsy". He is a letterman from last year, and plays right tackle on the ball club. His favorite actors are Abbott and Costello, while tops among the actresses is Lana Turner. He likes to eat and especially likes to play foot ball. He prefers neither blondes nor brunettes; he likes all of them.

He plans to attend North Texas Agricultural College, and his major will probably be campusology. His greatest desire is to have little feet and his ambition is to be a millionaire.

We salute you, Turner, as a Real Piper!

## Coach Elected Camp Bowie Athletic Director

At the close of this six-weeks, Coach Smith will go to his new position at Brownwood. He is to be the athletic director at Camp Bowie. Coach Smith came to Hamlin in 1938. Formerly he had taught at Garden City and Indian Creek. He attended college at Daniel Baker and was one of their most outstanding foot ball players in the history of the school.

In the first three years of his

work here he built a District Championship team of the Hamlin eleven. Everyone has appreciated his work with the Hamlin foot ball team and is glad to see him advance to a better and higher position but is very sorry to lose him as our coach.

## Closing Pep Rallies Show Spirit

Enthusiasm was at the highest peak of the year when the student body and faculty met for pep rallies Thursday and Friday before the Anson game. Thursday Coach Smith gave a talk on appreciation of the school spirit. The students followed his speech with several yells displaying some of the spirit of which he spoke.

Friday's pep rally was enhanced by the presence of several exes that were home from college. The assembly opened with a yell given by the foot ball team for the student body. Mr. Bennett gave a stirring pep talk. At his suggestion the group dedicated the "Pied Piper Song" to Coach Smith in appreciation for his loyal work for the school.

## First Senior Rings Are Here

Eighteen happy seniors went last week to a local jewelry store from which they had ordered their rings to become possessors of them. These are the first of the order that have arrived.

The ring is the standard ring that was adopted for this school two years ago. They are made of heavy gold, set with a red stone. On one side of the mounting is an engraving of the high school building, and on the other side is the Pied Piper emblem. Around the stone are the words "Hamlin High School, 1940-41."

The seniors expect almost all the rings to be in before too long, and they are very proud to be wearing the emblem of the High school and the senior class.

## Anson Defeats Hamlin

Anson, November 21—The Anson Tigers rose to heights which were unthought of as well as unreachd by defeating the Hamlin Pied Pipers, defenders of the district championship title, with a victory of 7 to 6. The Pipers played their last game of the season and also the last game under the direction of Coach Marcus (Spec) Smith, who is leaving

Wednesday to become director of athletics at Camp Bowie.

The Tigers scored their first and only touchdown in the first quarter booting away the Pipers hopes with this extra point.

Off-tackle plays, with Billy Jo Rust and Roy McCoy starring worked the ball from the Anson 45 to the Hamlin 12, where Jack Greer passed to J. B. Guthrie for the touchdown. For the conversion, the point was kicked by Bussie.

The Pipers came back in the second quarter to chalk up six points after marching 88 yards, with Dean Witt passing five times and driving hard. Nolan Haines went over for the touchdown, but the try for an extra point failed.

More than 3,000 people, possibly the largest crowd at Anson this year, cheered and shivered as the Tigers determined to claw up the Pipers' chance for a district championship and the Pipers determined to take home some Tiger skins with a victory.

About 325 Pied Pipers, including the foot ball boys and many adults were sad and gloomy here tonight as they realized that the Coach (Smith, who, with the help of J. Melvin Grigg, has made the Piper team what it ought to be the last four years and coached the Pipers to district champs last year, leaves Hamlin after this game.

## Spanish I Classes Hold Contest

Interest in Spanish I class is increased by the contest that is now going on between the boys and the girls of that class. The contest is based on vocabulary drills and tests. When the boys win in each class session, they receive one point, and when the girls win, they receive a point. The one with the highest number of points will be entertained at Christmas by the losing side with a celebration similar to a Spanish fiesta.

## Browsing Among The Books

NIGHT FLIGHT by Antoine de St-Exupery and FLIGHT SEVEN by Robert E. Johnson, two fictional books on aviation, are reviewed this week. Literature seems to follow the times. Aviation is playing an important part in the world today and it is beginning to play an important part in literature, too.

NIGHT FLIGHT is perhaps the first book in literature in which an airplane flight is treated so poetic and imaginative in vision. We are

told of a tragedy of the air, but the loss of the plane is not the core of the story. Joseph Conrad, the chief of the airport, is a cunning, oblique character. The pilots have courage and skill but the chief has to have something more. This magnificent story is a profound essay on Discipline.

This novel won the French Prix Femina and also it is the choice of the Book-of-the-Month Club. St-Exupery was one of the best pilots of the Teropostale Company. He is not affected by what is said about him. When heroism lives in a man he does not need to talk. It may seem strange that such a pilot and soldier should choose to write, however, he has found pleasure in writing about what was his life's work. He doesn't write with "style". Another of his books is WIND, SAND AND STARS.

FLIGHT SEVEN by Robert E. Johnson is a live, up-to-the-minute story of two young men who want careers in aviation and who set about attaining their objectives. We follow them through a great school of aeronautics, where one undertakes airline mechanic training, while the other earns his wings. Then they attain positions with a transcontinental airline, and the story touches on their many excit-

ing experiences. Woven into this theme are colorful episodes of the romantic pioneering air mail days and the precision methods of modern air transportation. This fine, modern story furnishes the sigh-spots which many young men follow to start their aviation careers.

This book was written by Robert E. Johnson, an official of the United States Lines. For the past 12 years he has been active in air transportation. He knows from personal contact all of the inside workings of a great air transport line and has flown approximately 150,000 miles as an air passenger.

## Ink We Splatter

Oh, boy, does Footsie Turner like soup and cheese! Or by the way, is it just something to fill up on?

Who is that nice looking McCaulley boy that tried to get to Jimmie D. George's house on Sunday night? He got stuck and was too late to find her at home. Better luck next time, Bynum. First come, first served.

What certain black pick-up is there in town that so many girls listen and look for after working hours at Newberry's? Is it the pick-up or the brunette driver and his blonde friend?

Have you heard about Hamlin's latest quartet, "The Hamburger Quartet"? It's made up of four of the Home Ec girls, who spent last Saturday in Lubbock, Keith Jobe, Frances U., Bettye Lou York, and Mary Nell Ball can sing!

Which is brightest, Frances Uben, or the evening star? It's hard to tell.

Texas Tech is an awful nice school, but it seems that D. C. Reynolds is having a hard time. Did you know he had an operation last week? He's doing nicely now, tho.

Max Harrell and Glen Sanford certainly do like Plasterco girls. They even buy six of them dinner, and entertain them like queens.

Mac Martin makes a wonderful doctor for fish, or do you know?

We don't know when Norris Shilah developed such a love for pretty dresses. Last Sunday night in church, however, he spent all his time looking at one and most of his time talking about one. It was a maroon velvet—and he's right, it is a pretty dress.

And let's don't forget the Slush from the Slimes. I hear that two little girls were just heart broken when Rudy H. moved.

Ask Earleen how many times she has seen Mac Martin this week.

We think some upperclassman has fallen like a ton of bricks for a certain new girl in the freshman class.

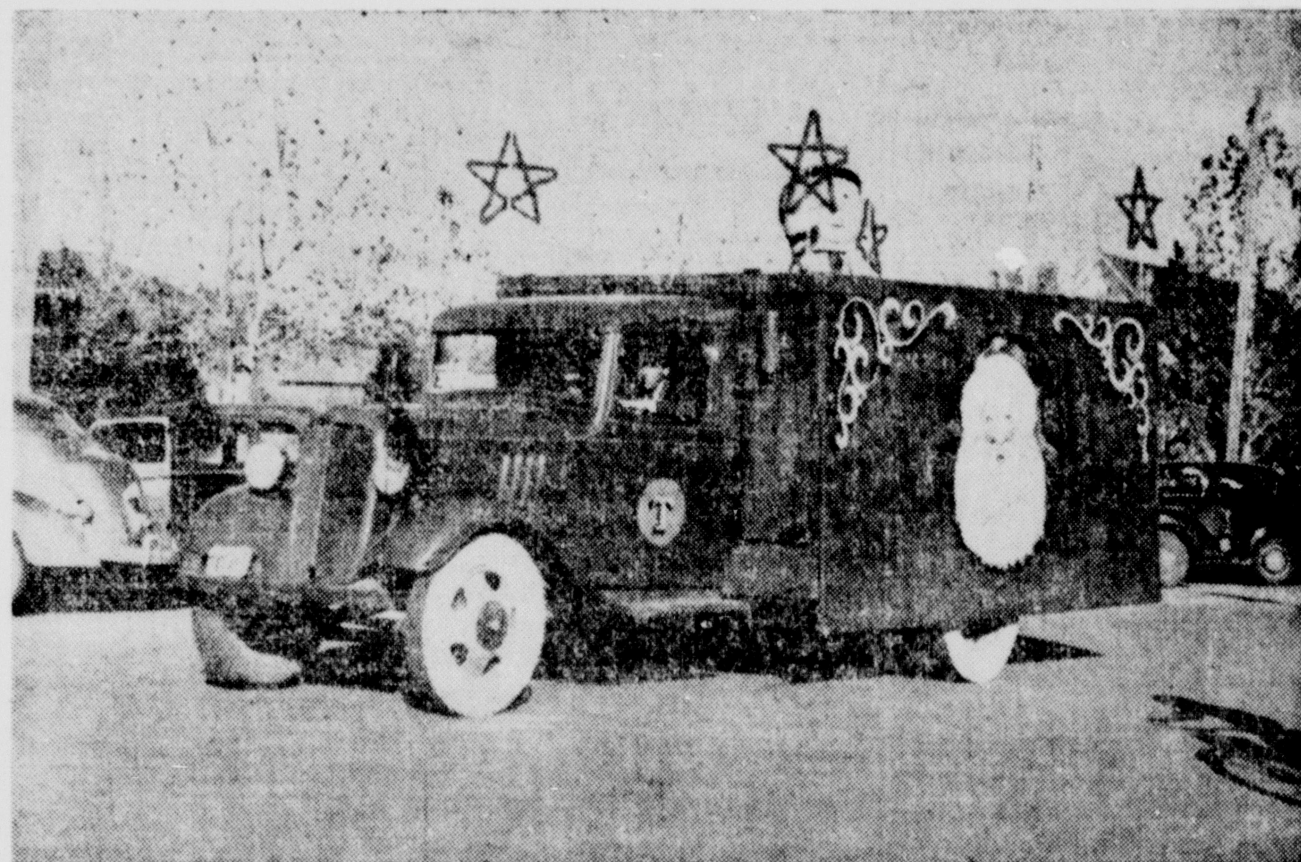

What we want to know is if Bob Harden drives anyone except his little sister around in his dad's car.

Mr. and Mrs. John Ed Day, Mr. and Mrs. Starr Inzer, and Mr. and Mrs. Austin Poe left Wednesday for College Station to see the A. & M. College and the University of Texas foot ball game.

### WPA Lunch Rooms

#### Are Started In Jones

Co. Public Schools

WPA lunch rooms are started in Jones County schools. These lunch rooms are located in Anson, Truby, Hodges, Hollis Hill, Corinth, Lacota, Anderson Chapel, Boyd Chapel, Noodle Horn, Union, Tuxedo, Pleasant Valley, Avoca, New Hope, Nelda and Lueders.

Surplus commodities are furnished to children who are not able to pay for a hot lunch. All other children who wish to eat at the lunch room pay for lunch. This money is used to buy other food to supplement the commodities so that a balanced menu can be prepared. WPA furnishes labor to prepare the menu. Thirty-three women are employed in lunch rooms in the county.

Following is a menu that was issued last week.

#### MONDAY—

Creamed Corn  
Lettuce and Tomato Salad  
Hot Biscuit  
Chocolate Muffins  
Milk

#### TUESDAY—

Meat Loaf  
Creamed Potatoes  
Apple and Raisin Salad  
Graham Muffins  
Banana Pudding  
Cocoa

#### WEDNESDAY—

Candied Sweet Potatoes  
Greens and Turnips  
Fruit Salad  
Peanut Butter Cookies  
Grapefruit Juice  
Graham Muffins

#### THURSDAY—

Pinto Beans with Tomatoes  
Potato Salad  
Peanut Butter Cookies  
Grapefruit Juice  
Graham Muffins

#### FRIDAY—

Irish Stew  
Candied Yams  
Combination Fruit Salad  
Biscuit  
Baked Individual Apple Pies  
Cocoa

Surplus commodities for the month of October were, raisins, flour, Graham flour, meal, lard, peanut butter, grits, cracked wheat, canned milk, grapefruit juice, and apples. Two schools are receiving commodities for a cold lunch. In these schools there is no WPA labor. They serve the foods listed above that do not require cooking.

#### PEANUT BUTTER COOKIES

1 cup granulated sugar  
1 cup brown sugar  
3-4 cup melted shortening  
3-4 cup peanut butter  
2 well beaten eggs  
2 teaspoons vanilla  
3 cups flour  
3-4 teaspoon salt  
1 teaspoon soda  
Mix granulated sugar and brown sugar with shortening, cream together, then add peanut butter, eggs, vanilla, and beat until smooth. Sift flour, salt, and soda and add to first mixture, mixing well. Roll the small portions of dough in palm of hand, and flatten with the tines of a fork, or form dough into rolls and wrap in wax paper, chill, and slice. Place cookies on greased cookie sheet and bake in moderate oven (400 degrees). Bake 8 to 10 minutes. Makes about three dozen cookies. Wilda Cagle

# UP!

... goes the cost of living in the  
parade of rising prices!

# BUT!

... natural GAS remains low in price  
as it has throughout the years!

Up.. Up.. Up.. go prices! Almost without exception  
food, clothing, shelter, necessities and  
luxuries of all kinds have zoomed to a new high. One by one even  
the most ordinary commodities have joined the ever increasing  
parade of rising prices to slash deeper and deeper into the family  
budget. However, there is one outstanding exception because the  
price you pay for natural gas service is still the same low rate you  
have paid for many years!

In contrast to your low gas rate, the operating expenses for main-  
taining gas service continue to mount to an all-time high. For example,  
taxes alone for 1941 of Lone Star Gas System will require 21c out of  
every dollar of total revenue received from all sources; shorter work-  
ing hours for employees, as required by the 40-hour week, have made  
additional employees necessary; because of the higher cost of living  
many wages and salaries have had to be increased; such supplies that  
are available are sharply increased in price.

While other business concerns have been passing similar increased  
costs of operation on to the consumer, your gas company has con-  
tinued to absorb the constantly mounting expenses of serving its  
customers. By guarding against all lost motion, by keeping our wits  
sharp, by operating with all the efficiency of our trained, experienced  
organization, we are making every effort to meet the requirements  
of the present emergency.

### Dependable Service for

# 13¢ A DAY

The annual cost of gas service for  
Lone Star Gas System residential cus-  
tomers averages only 13 cents a day  
for all purposes including cooking,  
water heating, house heating and  
refrigeration.

## Mrs. Pat Marlowe Was Club Hostess

Chrysanthemums in the autumn shades were used in decorations when Mrs. Pat Marlowe entertained members and guests of the Optimist club last Friday.

Mrs. Hal Razor scored high for members and Mrs. Roy Gilbreath held high for guests in games of '42'.

Refreshments were served to Mmes. O. G. Harvey, F. E. Barnes, W. H. Dean, Dub Burgess, Hal Razor, H. O. McCray, Gerry Richardson, Irwin Smith, Roy Gilbreath, B. B. Campbell, R. W. Jones and the hostess.

## Woman's Literary Club

The Woman's Literary Club met Friday afternoon with Mrs. Landon Davis hostess in her home on Central Avenue.

Twenty members responded to roll call with regular assigned topics.

The study, "Mystic Isles of the South Seas," was directed by Mrs. S. E. Brooks who in a most interesting way told of the many myths and customs of Islanders of the Pacific. Miss Opal Cory took the club on "A Cruise Around Tahiti and Fiji," giving a beautiful description of these islands.

Mrs. Tate May, president, conducted the business session when committee and officers reports were read.

## Foot Ball-Pep Squad Banquet Held Tuesday

Amid most colorful and gala surroundings the annual Elementary school pep squad and foot ball banquet was held in the basement of the First Baptist church Tuesday night.

The tables were arranged in double wing back formation with green and white goal posts forming the center decoration. The green and white color scheme and the foot ball motif was further carried out by tiny green and white megaphones which served as place cards. Table favors consisted of brown foot ball caps containing green and white hints.

Following a menu of kick-off chicken, power drive dressing, double wingback gravy, passing potatoes, kicking beans, time out salad, touchdown cake a la mode, and conversion hot chocolate, the following program was given:

Introductions by Arthur Tom Carlton, master of ceremonies.

"The Announcer" by Jerry Waggoner.

Foot ball songs by a group of foot ball boys and pep squad girls made up of the following: Bobby Ruth Brown, Donald Ellis, Brad Rowland, James Sedberry, Doyle Dean, Arthur Tom Carlton, Jane Hayes, Maxine Fletcher, Wanda Wade Abbott, Betty Ann Kagler, Anna Margaret McBride, Dora Joyce Butcher and Peggy Polk, accompanied by Ida Frances Robertson.

Elizabeth Butcher made an interesting talk on the relationship of the pep squad to athletic activities.

Dora Joyce Cubertson gave a summary of the season's pep squad activities.

The final number on the program was a speech by Brad Rowland Jr., which he called attention to the outstanding members of this season's team.

Those attending were 65 members of the pep squad and foot ball team, Mr. and Mrs. G. R. Bennett, Mr. and Mrs. H. A. Johnston, Miss Esther Peck, Miss Alice Reese, pep squad sponsor, and Morris Jeffries, Junior Pipers' coach.

## Junior Schubert Club

MEMBERS JUNIOR SCHUBERT CLUB ATTEND CONVENTION

On November 15, Miss Gilbert,

Mrs. Gilbert, Joe Ball, Jimmie Dee George, Selma Hassen, and Craigolene Elmore attended the national convention of the Junior Schubert club in Stephenville, Texas. Miss Gilbert and Mrs. Gilbert attended the Schubert Club convention, which was also in Stephenville. The people attending the convention were very friendly and the numbers on the program were thoroughly enjoyed by all.

## Baptist W. M. S. Will Observe Prayer Week

The Woman's Missionary Society of the First Baptist church will meet at the church Monday, and Tuesday afternoons, December the first and second to observe the Foreign Missions Week of Prayer. At this time the Lottie Moon Christmas offering will be taken.

## Gives Book Review In Knox City

Mrs. Clem E. Ball was presented in a book review Saturday afternoon in Knox City Methodist church sponsored by the Methodist Womens Society. Mrs. Ball reviewed the book, "One Foot In Heaven," to a large and appreciative audience. She had also given this review recently to a splendid audience in Hamlin. She was accompanied to Knox City by Mrs. Bob Huxford.

## Miss Joan Culbertson Hostess to Sub-Debs

Miss Joan Culbertson entertained with a lovely supper party in her home on Union Avenue honoring members of the Sub-Deb club and ex-club members who were at home from college for the Thanksgiving holidays.

White chrysanthemums decorated the party rooms and a Mexican

motif was emphasized in appointments and the menu which included home made chili, hot tamales, red beans, rice, cheese, crackers, coffee and peanut candy.

Guests were Misses Courtney Ann Magee, Ruby Herr, Phala Davis, Kola Adkins, Frances Ubben, Mary Jo Sills, Bettye Abbott, Billie Faye Rountree, Marion Martin, Hazel Adkins, Joyce Hudson, Herbie Faye Johnston and the club sponsor, Mrs. Frank Waggoner.

## Blue Bird Club With Mrs. Davis

Chrysanthemums and other autumn flowers decorated rooms in the home of Mrs. Landon Davis, Tuesday afternoon of the past week when she entertained members of the Blue Bird club.

Following games of bridge an attractive salad plate with cakes and coffee was served.

Those playing were Mmes. Joe Culbertson, Paul Fowler, L. H. McBride, Ted Bledsoe, John Ed Day, H. O. Cassle, J. F. Taylor and the hostess.

Mid-week service, Wednesday evening at 7 o'clock. At this service we will begin a series of studies in Miracles of the Old Testament.

Choir practice Wednesday night at 8 o'clock.

We have so much to be thankful for at this season of the year. We are, indeed, fortunate in our good old U. S. A. to be untorn with war and untarnished by its awful consequences. Surely, at times like this, we should be turning God-ward. Go to church and worship the God who controls the world.

The service Sunday morning will help you and enable you to be a better person next week. The pastor's sermon topic will be: "Pat-

ience, The True Mastery of Life." Hear the sermon on "War and Peace" at the evening service. You will enjoy the wonderful music and the great old hymns of the church that make melody in your heart.

A special invitation is given to visitors. Come worship with us.

## CHURCH OF CHRIST

2 Tim. 2:15, "Study to show thyself approved unto God." Let us not forget to study our Bibles. Read about Jesus from His birth to the last scenes of His life on Calvary. Remember that His life was one of sorrow and self-denial that He might teach us "How sublime a thing it is to suffer and be strong."

How can we know of His last dying agony on the cross without saying that all we have to give Him is "Were the whole realm of nature mine,

# Let's Be THANKFUL

The Pilgrims gave thanks for the American Way of Life that they created, protected, and nourished into greatness.

"Join  
Today"

Today we give thanks that this same American Way of Life has survived and shown progress as each year passes.

# ★ ★ ★ for the ★ ★ ★ TAXPAYER ★ ★ ★ too

WE in West Texas have much to be thankful for... bountiful crops, great herds of cattle, sheep and goats, the world's greatest reserve of gas and oil, a plentiful supply of cheap electric light and power, good schools and good highways. Our homes are modern and we enjoy an exceptionally high standard of living.

Yes, no part of the nation has benefited more from the American way of living, or enjoyed more fully the FREEDOM and DEMOCRACY that we now are waging a war to retain.

But West Texas' future prosperity, growth and development depend on what we do today.

Let us look ahead, then, and encourage tax-producing industries with which to pay the tremendous burden of debt now accumulating in astronomical figures and as a means of providing jobs for the many thousands of men and women left jobless when defense projects are at an end. Let's not forget that somebody must "pay the piper" for the years of boondoggling when this country should have been preparing for a war that long ago appeared inevitable.

On this Thanksgiving Day let's be thankful for the taxpayer too!

## POT SHOTS FROM M'CAULLEY

BY GEO. DARDEN

Jewel, Frances, June and Marvin Davison were visitors in the home of their parents, Mr. and Mrs. W. F. Davison last week end.

Carpenters have begun work on the new home of Mr. and Mrs. Virgil Steele near Plasterco.

The new home of Mr. and Mrs. N. D. Miers, located near Hobbs, will be completed within the next few days and the Miers expect to move in by the first of January.

Mrs. L. H. Boyd and son Holman are visiting for a week in East Texas.

McCauley folks were visited by a rain and cold norther Saturday night and there was quite a bit of ice on the water troughs Sunday morning.

J. B. Jayroe has been called to the colors and we understand will leave for some army camp on Dec. 2nd. McCauley folks wish J. B. the best of luck.

W. B. Hendon was in a car wreck along with three more young folks last Saturday night. We understand that one of the occupants of the other car was seriously injured and all occupants of both cars were more or less scratched and bruised. The accident happened about five miles south of Roby.

Ray and Emma Sue Hennington were home Thanksgiving and over the week end. Both are students at McMurry in Abilene.

Mrs. Ben Short underwent minor surgery at a Stamford hospital last Thursday.

Mrs. C. E. Dick has been confined to her bed with a case of flu for the past few days.

Mr. and Mrs. Burl Bunkley went over to Avoca for a family reunion and Thanksgiving dinner in the home of Mr. Bunkley's sister, last Sunday.

Mrs. Vera Jayroe and son J. B. spent last week end with relatives in Lamesa.

Mrs. Martin, formerly Daisy Mae Davison, and children are spending a few days in the home of her parents, Mr. and Mrs. Will Davison.

Rev. and Mrs. C. E. Dick are expecting all their children home for the second Thanksgiving this Thursday.

The McCauley Baptist Brotherhood will meet at the church on the night of Dec. 10 for a get-together. The ladies of the church will serve something good to eat, and the principal speaker for the occasion will be Dr. Arrant of Hardin-Simmons University, also the Simmons male quartet will be there to furnish the music and all members of surrounding Baptist churches are invited to attend.

Mr. and Mrs. Willard Maberry were visitors in the home of Mr. and Mrs. J. H. Humphries last Sunday and we noticed that Mr. and Mrs. Maberry are driving a brand new Studebaker Champion.

A number of us McCauley citizens plan to hear Dr. J. Frank Norris in Abilene Thursday. His subject will be "Thumbs Up, and Hitler's Doom."

Mr. and Mrs. Leslie Phillips and daughter Shirley Nell of Munday, visited in the home of Mr. and Mrs. O. C. Prather last week end.

Mr. and Mrs. Amuel Rector are

the proud parents of a baby daughter and her name is Judy Nell.

One of the Johnson boys tells us that the Hamlin hamburger king had a sinking spell after the Anson-Hamlin foot ball game.

O-O-O-O

While the people of the United States observe Thanksgiving, and we do have plenty to be thankful for, is it not distressing to think of the millions in Europe that starve and other millions of poor human beings that slowly die in concentration camps, while others are being slaughtered like cattle on the battle fields of Europe. We in America should be more grateful for having been born in the good old U. S. A.

Untold thousands of dollars' worth of property, homes and businesses go up in smoke each day and wholesale murder is sweeping Europe and all because of a mad man who is attempting to conquer the world by brute force. Surely the men who sit around the conference table when this war is over will have enough forethought to make it impossible for any man or set of men to start another wholesale massacre at any time in the future. If it takes all the resources and all of the man power in the United States to rid the land and sea of the mad dogs and rattlesnakes, who gloat over the spilled blood of less powerful nations, then let's get started.

A DARDEN-O-GRAM.

## BOYD CHAPEL CHIRPS

(By Mrs. Albert Haught)

Bobby Fail, of Hardin-Simmons University, preached at the Baptist Church Sunday night.

Mr. and Mrs. Theron Bingham and family spent Saturday night and Sunday with Mr. and Mrs. B. W. Neidecken, of Hamlin.

Mrs. L. F. Cozzens, of Tulia, spent last week here visiting relatives and friends.

Mrs. J. E. Killen and John Edd, of Rotan, spent Thursday of last week with her sister, Mrs. Albert Haught.

Mr. and Mrs. C. E. Young and Mr. and Mrs. Travis Hubbard and family spent Sunday visiting Mr. and Mrs. Madglen Rainwater, of Noodle.

Mr. and Mrs. Delmer Hill, of Dovie, spent Sunday with Mr. and Mrs. M. L. Haught.

Mr. and Mrs. O. C. Estes spent a part of last week visiting Mr. and Mrs. Harry Burkett, of Post.

Mr. and Mrs. Delmer Estes are visiting relatives at Post this week.

R. V. Teague of Cross Plains came up on Thursday of last week to spend this week on business. Mr. Teague has a residence near the Grammar school he is offering for sale. Mrs. Teague and son Selas, and wife were here last week to visit Mr. and Mrs. J. H. Foster and others. They returned to Cross Plains and told Mr. Teague how booming Hamlin is and so this week the old timer is seeing Hamlin. Mr. Teague is renewing his Herald to keep up with the old boys.

## Room for Improvement

Seats in the newest theatres are not squarely behind each other but are so arranged that your eyes are directed between the heads of two persons in the row ahead instead of having to duck and dodge to try to see around a fellow right in front of you.

And a theatre in Hollywood has seats constructed somewhat on the principle of a porch swing so that you just swing the chair back and don't have to rise when somebody in the middle of the row wants to get out.

A few years ago, toothpicks were frowned upon; now, they're on sale openly—and are perfumed.

And there are cough drops with liquid centers.

# THANKSGIVING

## We're Thankful for Thanksgiving

Thanksgiving Day is a traditional reminder of the many things which we in America have to be thankful for, so we of the Santa Fe take this pleasant season to express our sincere appreciation of your friendly cooperation and of your patronage of our freight and passenger service.

Let's work together and be thankful for this great country and the support we can give each other. Your patronage of Santa Fe services enables us to pay wages and taxes that help you and your community.

Send your soldier boy  
a ticket home for the  
holidays...

If your boy in Army Camp is being furloughed for the holidays—surprise him by sending him his ticket home. Your Santa Fe Agent will gladly arrange all details.
